Special Association Meeting Voting Results January 29, 2020

Dear Charbonneau Residents,

We have the results of our recent “vote” taken last night at the Special Association Meeting.

Thank you to everyone who attended the meeting or sent in your proxy. This is undoubtedly the largest voting turnout Charbonneau has ever experienced. These results once again confirm the recent outreach efforts your Charbonneau Country Club Board conducted last spring.

The Board will continue our efforts in planning a new activities center. The Board will continue discussions on a possible merger with the Charbonneau Golf Club. We have your overwhelming support for both endeavors. The Board will be voting on the resolutions discussed last night at our regular February CCC Board meeting.

Thank you, Charbonneau community, for your continued support of your Board. The results from last night’s meeting are posted below.
